

## IMG DESIGNER RECRUITMENT 2014 – 2<sup>nd</sup> Year

### INSTRUCTIONS

1. Attempt all the questions and both the sections.
2. You may use any software (Paint/Photoshop/Corel/PowerPoint, etc.) for questions 1, 2, 3 and 4 of Section B. You may also submit hand drawn sketches for the same.
3. Mail in your entries by **9<sup>th</sup> January, 11:59PM** at [recruitment.img@gmail.com](mailto:recruitment.img@gmail.com).
4. In case of hand drawn sketches, the entries must be submitted at IMG lab (deadline remains the same).
5. Contact IMG lab at 01332-284521 in case of any queries.
6. Section A is compulsory and your answers will not be evaluated if you leave this section un-attempted.
7. Don't forget to mention your **name, e-mail id, enrollment no, branch and contact no.**

### SECTION –A

- 1.) What motivates you to join IMG and what will you bring to the group?
- 2.) What all design projects you have done? Among them which one you like the most and why?
- 3.) In your opinion, what should be the role of intranet?
- 4.) Your hobbies, extra-curricular activities and other engagements?
- 5.) What all designing software do you know?

### SECTION-B

- 1.) Redesign one of the following webpages and implement the design using HTML/CSS/Javascript.

IITR institute page : [http://www.iitr.ernet.in/institute/pages/About\\_the\\_Institute.html](http://www.iitr.ernet.in/institute/pages/About_the_Institute.html)

OR

IITR campus life page : [http://www.iitr.ernet.in/campus\\_life/pages/index.html](http://www.iitr.ernet.in/campus_life/pages/index.html)

- 2.) Design a creative “404 Page Not Found” web page and implement the design using HTML/CSS/Javascript.

For example: <https://github.com/dxc%20gkljgyjm>

- 3.) Select a [Channel I](#) application of your choice which you think needs improvement in terms of design/features. Redesign the application incorporating all these improvements.

**Note: You are not required to implement the redesign.**

- 4.) Design a creative Channel I doodle for any occasion of your choice.

- 5.) Suggest a creative captions for each of the images given below:
